Your Dog Gone Good

Beechhurst, New York 11357

Dear Diana:

Thank you for joining us at our organization's 4th Annual Benefit Fair on May 6, 2008. You were a welcomed addition to our Benefit Fair. This was proven by the feedback we received from the employees who stopped by your table who were quite impressed with the wealth of knowledge you displayed in the way you answered all the questions and concerns they had about their dogs.

We would also like to thank you for the raffle you gave us for the "Free Dog Training Lessons". The employee who won the raffle was ecstatic. She has a new puppy and is looking forward to having her puppy trained and learning all the dog training techniques that you spoke about.

It would be great if you could join us again at our next Benefit Fair in 2009.

Again, thank you for being a part of making our 4th Annual Benefit Fair a success.

Sincerely,

Joseph Sciarrone
Director of Human Resources
